***Allowable Subject Matter***

1. Claims 1-44 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest an apparatus and method for regulating a magnetic memory cell write current. In particular, an apparatus comprises: a write current generator for generating a write current that is coupled to an array of memory cells; a threshold detector for feeding back a control indicator to the write current generator if the write current is one of greater than a maximum write current threshold or less than a minimum write current threshold.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son L. Mai whose telephone number is 571-272-1786. The examiner can normally be reached on 8am to 6pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on 571-272-1787. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
